

## // MAXIMISING YOUR BOOKINGS

With a one of our campaigns achieving 2,300% ROI, we are well versed in helping hotels and leisure companies promote their offerings and attract new customers.

We understand that for a hotel or leisure company to excel, you need to ensure that you stand out from your competition, but you may not have time to focus on updating your website or social media platforms.

That's where we come in.

Our services include:

- UX-UI web design
- Social media management
- Branding and marketing
- Search Engine Optimisation (SEO)
- Video & animation
- Bespoke marketing retainers

As seasoned hotel and leisure marketers, we have a well-rounded, in-depth understanding of your sector.

LET US REDUCE YOUR OTA FEES AND HELP GENERATE YOUR BUSINESS MORE REVENUE

## // HOW WE CAN HELP

- Responsive websites
- Marketing campaigns
- Printed marketing materials
- Online booking integrations

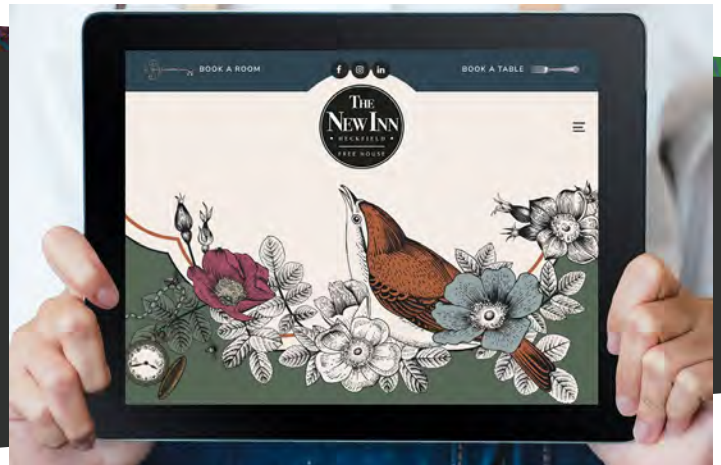

These are just some of the ways we can help your business thrive, each designed to attract new customers and retain old ones.

82% of customers place trust in companies that are visible on social media

## RESPONSIVE WEBSITE

The New Inn came to us to elevate their online presence and highlight their delicious food and beautiful rooms. We crafted a site using natural illustrations with a rustic colour palette, showcasing their business while offering a seamless online booking experience.

## PROMOTIONAL VIDEO

Blingo tasked us with producing a web video to showcase their live events and boost ticket sales. After two high-energy, "run and gun" video shoots, we crafted an edited video that perfectly captures the excitement and atmosphere of these amazing shows.

## BOOKING WEBSITE

Creta Blue Suites, a luxury boutique hotel in a breathtaking location, needed a website to match their elegance. We used stunning imagery to highlight their suites and completed the project with SEO, copywriting, and UX/UI enhancements.
